Re: Petition of Tennessee One Call System, Inc. for 811 Designation  
Docket No.: 05-00161

Dear Chairman Miller:

I represent Tennessee One Call System, Inc., and we have filed a Petition with the Tennessee Regulatory Authority requesting that Tennessee One Call be designated the 811 number for advance notification of excavation activities. It is my understanding from talking with Darlene Standley that this Petition has been placed on the TRA's agenda for its July 11, 2005 meeting. Unfortunately, I will be out of town that day, as will Bill Turner, who is the Executive Director of Tennessee One Call. Because both of us feel we should attend this meeting when this Petition is considered, I am writing to request that consideration of this Petition be postponed until August.

It is my understanding that the next available docket will be in August, but that the dates for the August docket have not yet been finalized. I am not available August 1st, but both Bill Turner and I are available the 8th, 15th, or 22nd. I would appreciate it if you would consider placing this Petition on the agenda for whichever of these dates are convenient for the Authority.

If you have any questions concerning this request, or if I need to do anything further to reschedule the hearing on this Petition, please do not hesitate to contact me.
